

IMMUNITY SUPPORT[#]

Although there is scientific evidence supporting the claim, the evidence is inconclusive.

INDICATIONS

- ✓ Supports normal immune function*
- ✓ Promotes general well being*

TARGET AGE GROUPS

For Young, Adults and Seniors

Black Cumin seed is also known as *Nigella sativa* botanically and revered herb traditionally for its medicinal benefits.

Black cumin seed oil is balanced mixture of monounsaturated fatty acids (MUFA), polyunsaturated fatty acids (PUFA) and saturated fatty acids. Thymoquinone is an important antioxidant found in black cumin seed oil. Black Cumin oil supports normal immune function and helps gain feeling of subjective wellbeing in allergies.

Supplements Global offers high quality cold pressed Cumin seed oil which is obtained without use of toxic hexane/solvent for extraction. It also comes with easy to swallow softgel capsule dosage form.
